

World Outreach - Gift Aid Declaration

If you pay Income Tax or Capital Gains Tax in the UK, you are able, by completing this simple declaration, to increase the value of your gifts to World Outreach by about 28%.

Indeed, if you pay tax at higher rates, it is even more advantageous to you to use the Gift Aid scheme because you can claim back tax via your tax return, as well as increasing your giving through this scheme.

To take advantage of the scheme, just complete this declaration and return it to us. We will do the rest.

Please complete this form in **BLOCK CAPITALS**.

Explanation: This declaration **can be backdated** 6 tax years, and Gift Aid reclaimed on your gifts by World Outreach right back to that date, if you have paid sufficient income tax or capital gains tax during each relevant tax year.

In other words, you must have paid an amount of income tax or capital gains tax at least equal to the tax that we will reclaim on your donations in each tax year. This is about 28p for each £1 you give.
